GIFTS FROM THE HEART-INGATHERING

Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.

Concordia Lutheran Ministries

Mission Statement

To serve our aging community with a continuum of high-quality caregiving options, provided in a Christian environment, and to serve those with limited funds to the best of our ability.

Vision Statement

Serving the Triune God by providing for the needs of His people.

A Mission of Caring

As one of the largest, most financially secure senior care providers in the country, Concordia offers a lifetime continuum of care that includes adult day services, home care, hospice, medical and rehabilitation services, memory support, personal care/assisted living, respite care, retirement living, skilled nursing, spiritual care and medical equipment.

The roots of Concordia Lutheran Ministries go back to 1881 when western PA religious leaders began exploring options for how to address the growing orphan population in the region. Since that time, the organization has evolved from a small, safe haven for orphan children to one of today's premier nonprofit Aging Services Network in the nation. It's a remarkable story filled with practicality and leaps of faith; discord and harmony; tragedy and joy; uncertain finances and unexpected providence.
